Dear South Cambridgeshire District Council, Balsham Ward Councillor and West Wrating Council Members,

The application will be in the name of CK Hutchison Networks (UK) Ltd who will be responsible for construction of the site, the Operator will be H3G better known as Three.

As you will see we have already undertaken several steps in the site identification process having examined the Radio Communications Agency Mast Register, our record of other operators' sites and the council's own mast register. In addition, the policies in the council's development plan have been examined and any relevant planning history of the site. This has led to us identifying the following potential site:
