### From the Rectory

There is so much to look forward to in December in our parishes: Christmas Tree Festivals; Christmas concerts; carol singing, to name but a few!

Whilst I sometimes find myself rushing from one event to another, I really enjoy the festive atmosphere! It's as though there is a deep instinct that Christmas is a time for seeing the good in each other and the world; for celebrating gift, generosity and expressions of love. You don't need religion to understand these are some of the things which really matter in life.

Gift, joyful celebration, and an instinct for seeing the good, also point towards the deeper reality of the Christmas story. A familiar story, but one with strange beauty. A story which is a mix of uncertainty, hope, joy and new life. A child, born in humble circumstances, is the Christ child who is greeted, as Luke's gospel says, as "Saviour, who is the Messiah, the Lord". Good news conveyed by these simple words, which invite a lifetime's reflection: Jesus is "Emmanuel, which means, 'God is with us'".

In our Christmas services we hear the story of Jesus' birth anew and celebrate this good news with joyful thanksgiving. Christmas services in our churches will

be a mix of Communion services, Christingles and carols. Some carol services will be inside our churches and some outside, as they were over the last couple of years, when we wrapped up warm and sang by torchlight! There will be details of all of our services on our website: [www.grantavale.org.uk](http://www.grantavale.org.uk), on our church notice boards and on the Christmas card you will find with this copy of *Challenge*.

Recently, in our youth group, we asked the children which Christmas food, decorations and carols they especially look forward to, which gave rise to a variety of interesting responses! A traditional Christmas carol I look forward to is 'O little town of Bethlehem', written in the mid-19<sup>th</sup> century but still very popular today. The last words of this carol also declare that, in Jesus and through his Spirit, "God is with us": 'O come to us, abide with us, our Lord Emmanuel'. As we come together this Christmas, let us ponder anew this divine gift, and celebrate this joyful and life-changing good news.

### **Weston Colville Parish Council**

The following items were discussed at the meeting held on Monday 7th November. The full minutes can be found on [www.westoncolville.org.uk](http://www.westoncolville.org.uk)

**Resignation of Councillors** – the resignations of Faye Parker and James Hubbard had been received. Both were thanked for their service to the village. An advert will be placed in *Challenge* for new councillors to join the council by co-option.

**Flooding** – a letter will be included in *Challenge*, as an insert, and added to the website.

**Highways Update** – the gulleys on Mill Hill had been cleared, all but three that could not be cleared. Grip cutting requires a year's notice, which would affect the grips on Common Road. Brian Heffernan would chase up the drainage issues at Church End, as the Highways Officer responsible had left the County Council. The topic of objects being placed on verges was raised, to prevent vehicles going on them, and whether the PC could do anything about them. Cllr Ashbridge advised that it was a very grey area in legal terms, it was felt that the PC could not act, as it would be difficult to determine ownership of the verges and that Highways were not interested.

**Traffic Calming** – the SID (speed indicator device) was moved around when it was available. Cllr Ashbridge delivered the report that had been provided in autumn 2021, which was to apply for passive measures, gates/additional roundels. In Kentford and Whittlesford curbs had been built out to cause road narrowing, and street lighting was not needed. It was also suggested that the PC could apply for a MVAS (mobile vehicle activated sign). Following discussion of several options, it was proposed to defer applying for the current year, and to hold a meeting with parishioners and Highways.

### **GCP Making Connections Consultation** –

Cllr Vidler will comment on behalf of the PC. The consultation had been added to the village WhatsApp and Facebook groups.

**Emails** – following an Internal Audit report, dedicated email addresses for councillors were discussed, to be in line with GDPR Regulations. The format will be [cllrfirstname.surname@westoncolville.org.uk](mailto:cllrfirstname.surname@westoncolville.org.uk)

Cllr Pagonis will look into whether the accounts could have charitable status, thus reducing the price.

**ICO (Information Commissioner's Office)** – the council will register with ICO as data controller at an annual cost of £35.

**Reading Room Warm Hub** – the council will support the Warm Hub for one month from the middle of November for £150, and review in January.

**Poppy Wreath** – £10 will be donated for the wreath which will be laid on behalf of Weston Colville PCC this year.

**Risk Assessment/Health and Safety** – the defibrillator was rescue-ready on 7th November.

**Playground** – Cllr Pagonis volunteered to take on the playgrounds following Cllr Hubbard's resignation.

**Dates of Parish Council Meetings** – 5th December (planning), Wednesday 11th January 2023, Monday 6th March, Monday 1st May.

*Jess Ashbridge, Parish Clerk*

### **Abandoned Car**

Once again a car appears to have been abandoned in the Reading Room car park in Weston Colville. It is a small blue Vauxhall Minerva, registration LR09URA. It was taxed until the end of November, but the MoT ran out in June 2022. The car park is the property of the parish council, and is provided for use by those attending events in the Reading Room or the wider parish. It is not intended for long term storage of vehicles no longer roadworthy. If this car belongs to you, we would appreciate it being moved immediately. If you know who it belongs to, please contact the parish clerk and let them know. If the car is still there at the end of the year, the parish council will arrange for its removal, but work to identify the legal owner to recover the costs. Otherwise, the cost of the removal will have to be borne by parishioners.

### **West Wrating Parish Council**

The following items were some of the matters discussed at the parish council meeting held on 14<sup>th</sup> November. The full draft minutes will be posted on the noticeboards.

**Councillors:** it was agreed and confirmed that Tim Bonfield and Martin Davey would act as representatives for the council on the Village Hall Management Committee.

#### **Planning\*:**

CCC/22/057/FUL Gt Wilbraham Chalk Pit – it was agreed no comments were necessary.

20/01564 Planning Appeal Land South East of Burton End, West Wickham – it was agreed to stand by comments formerly made against this planning application.

22/04689 73 The Lamb Yard, High St – it was agreed that the building needed to be demolished.

**Finance:** the second half of the precept had been received. Cllr Parsons agreed to become a bank signatory.

#### **Maintenance:**

Winter gritting – volunteers are needed to salt the road from the salt bins provided. This is not required often

as the roads are gritted by CCC. Please contact the parish clerk or a councillor for more details.

*Parking spaces in Hayter Close* – a sign has been placed in the Close for residential parking only.

#### **Recreation Ground & Pavilion:**

The parish clerk has received all the necessary certificates, risk assessments, etc for the Sports Pavilion required for the annual audit.

It was agreed that the *grass cutting contribution* paid annually by the parish council to the WWFC would be increased by 10% as from 2023.

Cllr Parsons said she would be willing to take on the task of checking the defibrillator regularly if Martin Davey did not wish to continue with this job.

*Cones* – the WWFC would only put out cones on the crossing. Anyone wishing to keep their entrances open would need to put their own cones out.

**Traffic issues & Speed Restriction equipment:** it is anticipated that the sign poles will be erected in December.

#### **Greater Cambridgeshire Partnership**

**Consultation:** Cllr Batchelor urged the parish council and residents to respond to this, particularly with regard to the proposed congestion charge which would include Addenbrookes Hospital.

**Trees to Commemorate the Queen's Death:** the parish council is happy to donate a grant for a tree to commemorate the reign of the Queen. Hayter Close was not considered an ideal site; possibly the recreation ground or Pocket Park.

**Next Parish Council meeting:** Monday 9<sup>th</sup> January 2023. All are welcome.

*Jenny Richards, Parish Clerk*

#### **\* Updates to Planning:**

22/00556/REFUSL | Mixed use of agricultural and solar farm | Land to the south east of Burton End, West Wickham.

22/04689/FUL | Demolition of existing buildings and structures and erection of nine dwelling houses and associated infrastructure and works | 73 The Lamb Yard, High Street, West Wrating.

If you would like to comment, please contact SCDC planning department.

**District and County Councillor’s Report**  
**City Access Consultation**

A ‘Sustainable Travel Zone’ road user charge has been put forward by the Greater Cambridge Partnership (the body currently implementing the upgrades to the A1307) for private vehicles between 7 am and 7 pm on weekdays. The plans are part of a package to improve public transport, reduce congestion in the city, and help the environment through lower emissions.

A £5 congestion charge to drive into and around Cambridge is being considered as part of a ‘once in a generation’ plan to shake up how people travel during the working week.

These proposals are now being publicly consulted on and it is vitally important that as many people as possible respond to this consultation with their views. It will be one of the largest decisions that will affect the way that we travel in and out of Cambridge for generations to come. The consultation, plus all of the related documents, can be seen here at: <https://consultcamb.s.uk.engagementhq.com/making-connections-2022> There will also be pop-up events around the area, with one proposed in Linton; details to be confirmed..

**A1307 Update**

The majority of the work here is complete but the remaining schemes to be implemented are the new roundabout on the A1307 at the end of Bartlow Road, Linton, the remodelling of the highly dangerous Dean Road junction on the A1307, both due spring 2023, and the implementation of the ‘Greenway’, the non-motorised user route between Linton and Cambridge.

**Electric Vehicle Charging Grant**

It is expected that proposals will be approved by the end of November for a new grant scheme to parish councils and operators of community buildings, for grants of up to £5,000 to support installation of publicly accessible electric vehicle charge points in order to encourage electric vehicle uptake within the district.

**Weston Colville Parish Council**

Weston Colville Parish Council has two vacancies for parish councillors to join the council by co-option.

Anyone eligible is invited to consider whether they feel able to take part in the work the council carries out for the benefit of the village, and in helping influence decisions taken at higher tiers of government to ensure that the views and opinions of the villagers of Weston Colville are taken into consideration.

Parish councillors strive to improve the quality of life within the parish. Examples of the tasks they undertake include commenting on local planning applications, maintenance of the playgrounds, speed indicator device data collecting and management, flooding working party, and being a point of contact for parishioners in relation to local matters.

If anyone feels able to put themselves forward in this way, please contact the clerk, Jess Ashbridge, on 07779 277647.

If you would like information as to what this voluntary role involves in more detail, and its impact on your 'spare time', do contact us so we may answer any questions.

Please note that candidates must be eligible to stand for the position, namely:

- be aged 18 years or over, be a qualifying British or Commonwealth citizen, and be on the electoral roll in the parish;
- or, during the whole of the twelve months before he/she is nominated as a candidate, have occupied land or other premises as owner or tenant in the parish;
- or, during the same period, have resided in that area or within three miles thereof;
- or, during the same period, had his/her principal or only place of work in that area.

We look forward to hearing from those interested.

**Balsham Market Closure**

After much consideration, and with great sadness, I have decided to close the Balsham Market. The last market will be on Saturday 10<sup>th</sup> December.

Visitor numbers to the market have fallen drastically during the past year, and with the lack of customers, my regular stall holders are finding it difficult to justify attending our market.

I understand there is a requirement for a butcher, baker, and fruit and vegetable stall, which I have been unable to secure on a regular basis. I have also considered running a morning monthly market; however, all of my stall holders are already busy attending weekend morning markets.

If you wish to continue to support our lovely stall holders, you can visit them at other markets, social media or (for most of them) online:

**The Meadow, Balsham**

The autumn term has flown by and the pupils at The Meadow School are currently preparing and practising to perform The Nativity (Key Stage 1) and the Christmas Carol Service (Key Stage 2).

Pupils have enjoyed their learning, as well as the additional opportunities they experience out of the classroom. Here are just a few of them:

\* The Meadow Mile’s target of £1,000 was smashed as children dressed up, went on a sponsored walk and raised a fantastic £1,499.06 which will be spent on replenishing and buying new musical instruments. The dressing up theme was ‘Best of British’ and everyone looked amazing!

\* Four Year 6 pupils represented The Meadow at Teversham Primary School as part of the Cambridgeshire English Challenge. They worked incredibly well as a team and answered a range of very challenging questions based on books, authors, grammar and punctuation and also had to memorise a poem. It certainly was challenging!

\* Y3/4 trip to Kew Gardens: *“We went on an exciting trip to Kew Gardens. After a long journey, we arrived at Kew where we could begin our*

*exploring. We had a fantastic time in the Children’s Garden consolidating our science knowledge from last term about the fundamentals for plant growth: water, air, soil, light and temperature/*

*warmth. Once we’d had a good bounce and run around the learning garden, we set off to explore the plants around Kew. We were fascinated by the ginormous leaves in the Palm House as well as the tropical plants it housed, and we used our scientific skills of observation and identification when exploring the Arboretum to find answers to our scavenger hunt. There was lots to see, explore and do, we had a fantastic time. Safe to say, we were all ready for a good sleep once we returned to Balsham!”*

A core vision of our Trust, Anglian Learning, is to enable dynamic, empowered learners who thrive and lead in their communities: locally, nationally and globally. Over the course of November, students have been involved in a number of activities demonstrating their responsibility and care for others and for our environment.

Twenty-two students across Years 7 - 11 represented the college at Cambridgeshire schools' COP 27 conference at Sawston Village College on 16<sup>th</sup> November. The day involved a series of workshops focussing on how secondary schools can tackle climate change. Students were involved in debating international environmental proposals and in presenting their local green projects.

Our Eco Forum, led by the Geography department, will continue this work, developing a number of initiatives across the school to help to reduce energy

consumption and make improvements to the college environment.

It was great to see a number of students, past and present, with their exhibited artwork at the St Michaelhouse Café in Cambridge. The gallery showcased the artistic talent of LVC students

and included pieces from all Trust secondary schools in a range of media – a great celebration of the arts.

Another way in which LVC students have been creative in the community is through involvement in a Cards for Bravery initiative, making cards in the Henry Morris Centre at lunchtime. Recently featured on the One Show, including Mrs Garner, our Director of Inclusion, Cards for Bravery is a local voluntary organisation focussing on making positive homemade cards for hospitalised and seriously ill children.

### *Thanks and Seasonal Greetings*

My usual thanks go to everybody involved with *Challenge*, especially those who distribute and deliver it throughout the year. If anyone would be able to join the delivery team, please contact me. Thanks also to the advertisers and parish councils whose support allows *Challenge* to be distributed free of charge to every household in both villages, and of course to everybody who sends articles, news, and reports. Thank you all.

### *1<sup>st</sup> Horseheath Brownies*

The Brownies had a fantastic time trying to sleep 'under the wings' at IWM Duxford, with over 500 other Brownies and 100 leaders at the event. We were

lucky enough to be given the area under Concorde. After dinner on Sunday we had different activities, from learning how to make the perfect paper aeroplane to exploring Concorde and hearing

tales about famous female aviators through history. The evening ended with campfire singing and cocoa.

After a very warm and restless night, the lights came on at 6.30 am for a morning of aviation and space themed activities until 10 am when we could visit the other attractions at IWM Duxford when it opened to the public. It was a tiring 24 hours but an experience not to be missed.

### *Balsham WI*

Members enjoyed an evening of Christmas crafting at our November meeting. We made beaded snowflake decorations which will adorn our tree at the Christmas Tree Festival over the weekend of 3<sup>rd</sup> / 4<sup>th</sup> December in the church. Every snowflake made is unique, just like all our members, so do go along to the festival to see ours and all the other trees on display. We also had a craft stall at the meeting where members could buy and sell their homemade items. Local honey, jewellery, knitted items and needle felting were just some of the lovely goods on offer from our very crafty members.

Our final meeting of 2022 will be on Tuesday 13<sup>th</sup> December, when we will celebrate Christmas with our eagerly-anticipated 1920's themed Murder Mystery evening, which unfortunately had to be put on hold last year due to Covid. There will be drinks and nibbles and of course a Secret Santa.

We are a friendly bunch and new members are always welcome. Our meetings are held on the second Tuesday of each month at 7.30 pm in the Pavilion. Please get in touch if you would be interested in joining us – [balshamwi@gmail.com](mailto:balshamwi@gmail.com), or send us a message on Facebook, @Balsham WI.
