APM120525/5 Matters arising: Any questions: An opportunity for residents of the Parish to ask questions and raise issues of concern.

A MoP raised a concern over not being able to advertise hiring the sports pavilion club, however this matter was clarified and it has been agreed that the club can advertise locally on the proviso that this is not in competition with the Village Hall. For example, an advertisement in the village magazine should only be for inviting new members and explaining the benefits, rather than advertising the venue for bookings.

There being no other business, the meeting closed at 20:05
