Parish Matters

If, like me, you begin to get a bit fed up with sometimes hardly seeing the daylight, the feast of the Epiphany, marked on 6th January, is one of our great festivals of light – and a reminder that the days are starting to get longer again. It has long been associated in the West with the arrival of three ‘wise men’ – the magi – in Bethlehem. It’s a story that only the gospel writer Matthew tells.

Epiphany, though, originally commemorated Jesus’ baptism, the occasion on which he miraculously turned water into wine at the wedding in Cana and the presentation of Jesus at the temple. The visit of the magi was in fact a later addition to the celebration but it’s funny how things become tradition very quickly.

Over time, these events became separated out and, I might say, their meaning became a little diminished as a result. That’s a pity as they are all bright, focussed moments that proclaim to us: God is here – ‘Emmanuel’. The stories though are still read in services during our epiphany season, through to very early February. By that time my dog will hopefully be getting two walks in daylight per day.

The word ‘epiphany’ comes from a Greek word meaning ‘manifestation’ – or an appearance, a coming, a revelation. These events are manifestations of God.

As we mark the feast of the Epiphany, perhaps we might reflect on a couple of things. First, that the magi ‘from the East’ were Gentiles. They were not part of the Jewish tradition into which Jesus was born. So even here, at this very early stage in the story of Jesus, we are given to understand that God’s love reaches beyond traditional boundaries. It reaches to

people who are not part of our own community. Secondly, if our understanding of Epiphany includes not only the conclusion of the wise men’s long trek to a stable in Bethlehem but also the baptism of Jesus and his first miracle at Cana, then perhaps we are reminded that Epiphany is not the end of a journey; it’s only the beginning.

Kingsway Solar Community Action

As we welcome the new year, many of you are asking: "Is there anything else we can do?"

You've written letters, attended meetings, responded to each consultation, and shared your concerns widely. Thank you – your collective effort continues to make a real impact.

While the formal process is in a quieter phase, a great deal is happening behind the scenes. KSCA is now working closely with others through a newly-formed legal steering committee to review options for legal representation and ensure the community's concerns are strongly and expertly presented as we move into the next stages of the NSIP process.

We're also developing our public relations plan and setting out the next steps of the campaign – so please keep an eye out for further updates.

Where we are in the NSIP process – we are still in the pre-application stage, and we hope Kingsway are actively considering the letters, feedback, and concerns the community has raised. The next key milestone is expected around March 2026, when Kingsway may submit its planning application. After that, residents will be able to register as Interested Parties, take part in the Examination and submit evidence. The final stages carry no active community role, though judicial review may be considered.

KSCA needs a new communications lead – with Roz relocating to Wales, we are now looking for someone local to help keep our community informed and engaged throughout the next stages of the campaign.

Ideally that person will be:

- Enthusiastic and community-minded

- Comfortable coordinating a small comms subcommittee
- Willing to sit on the KSCA main committee
- Happy to support local outreach – social posts, press, leaflets and updates.

You wouldn't be doing this alone. We already have a friendly team of volunteers and plenty of templates and materials ready to use. If you enjoy generating ideas, pitching in, and helping keep neighbours up to date, we'd love to hear from you. If you're curious and would like to explore the role further, please get in touch by email or speak to one of the committee.

Step into Nature campaign continues – we encourage everyone to keep recording what you see and hear on your walks – birds, mammals, insects, and plants. These observations are especially valuable in highlighting gaps or deficiencies in the surveys carried out by Kingsway, particularly in areas where partial or no surveys have been undertaken, such as along the proposed grid connection corridor. Every record helps, so please keep observing and keep noting what you find on *iRecord*.

Our next meeting will be on 13th January, when our speaker will be Charli Bitten telling us about 'Tropic Skincare', with the chance to buy some products.

The Meadow Primary School, Balsham

December has been a wonderfully busy and joy-filled month at The Meadow, with our children experiencing a wide range of exciting opportunities that have truly brought the community together.

A Magical Nativity – our Reception and Key Stage 1 pupils have worked incredibly hard practising and performing their nativity this year. The children dazzled us with their singing, dancing and acting, and we could not be prouder of our youngest members of the school. Their confidence, teamwork and enthusiasm shone through in every performance.

Festive Celebrations Across the School – the festive spirit continued to build as the whole school took part in our annual Santa Dash—complete with colourful Christmas jumpers and big smiles all round. We also enjoyed a delicious Christmas dinner and held our Key Stage Christmas parties, helping everyone to feel a strong sense of belonging and togetherness as we finished the term.

OPAL – alongside the festivities, we are continuing to make great strides on our OPAL (Outdoor Play and Learning) journey. We recently welcomed visitors who came to see the impact OPAL is having on our children's playtimes, and we were delighted to share

the creativity, independence and joy that this approach is fostering. The children are thriving with the new opportunities: from imaginative play in the mud kitchen, to exploring small-world setups with train tracks, dinosaurs and playdough, to having the freedom to be inventive with a wide range of open-ended resources. Their play is richer, more collaborative, and wonderfully full of ideas.

As we continue to develop OPAL after Christmas, we would be grateful for any donations of items that can enhance the children's play. Small-world toys, chalk, creative materials, playdough and accessories, or household items such as pots, pans, spoons and bowls would all be very gratefully received.

Finally, we would like to wish everyone in our community a very happy New Year. Thank you for your continued support—it makes such a difference to the experiences and opportunities we are able to offer our children.

Linton Village College

Music is an important part of life at Linton Village College. It is central to our curriculum and gives students opportunities to learn, perform and be creative. Led by Mrs Juckes, the music department is a busy and welcoming space, with students often visiting outside lessons.

Music at LVC offers a wide range of opportunities beyond classroom learning or GCSE courses.

Students can join ensembles such as Jazz Band, orchestras and choirs to perform together, including 'Linton Voices', led by Mrs Brown. Lunchtimes are active, with open sessions like 'Jam Club' for anyone who wants to play. In addition, nine professional musicians provide one-to-one tuition, helping students develop their skills and confidence as part of our peripatetic music team.

Students have also been involved in events beyond the classroom. Our Jazz Band performed alongside other

Village College musicians for the School Big Band Concert as part of the Cambridge Jazz Festival in November. 120 students took part in our Carol Concert at The Church of the Holy Trinity, Balsham, last month. It was a great community occasion attended by parents, governors and former staff.

Another highlight was a trip for 40 students to watch the world-famous King's College Choir rehearse for their carol concert, which is seen by millions on TV on Christmas Eve.

Music at LVC is about more than lessons – it is about experiences, confidence and community. We are proud of what our students achieve and look forward to more opportunities in the year ahead.

West Wickham & District Gardening Club

With bright January skies and seeds to be sown (broad beans, sweet peas and chillies are just some that can be planted this month), there is so much for gardeners to look forward to in the New Year.

The club offers a welcoming atmosphere with a range of ages and experience. As well as monthly talks on a wide range of subjects from self-sufficiency to wasps, we also hold our incredibly popular Plant Sale in June and a Gardening Fair in September. One summer outing this year will be to RHS Wisley.

Dr Neil Dickinson will be our first speaker of 2026, talking on the subject of 'Japanese Gardens: What, Why, How?' on Monday 19th January in West Wickham Village Hall at 7.30 pm.

Membership for 2025/26 is £8 (with £2 for non-members at talks) and runs from October to October, with new members welcome to join throughout the year. Membership also brings with it discounts at local suppliers and half-price entry to RHS gardens.
